

WOMEN IN MINING - Utah Chapter

Fall 2022 Scholarship Announcement and Application

The **WOMEN IN MINING Utah** Chapter (WIM Utah) is pleased to offer two scholarship opportunities of **\$500** each to **any undergraduate or graduate student pursuing studies related to the mining/minerals industry** and enrolled in an accredited Utah college or university. WIM Utah, a 501(c)(6) organization, was established in the State of Utah in 2020 and is just beginning to award scholarships to encourage the next generation of participants in the mining/minerals industry. This application is open to anyone who meets the eligibility requirements **regardless of gender** as WIM in an inclusive organization.

WIM Utah is an organization focused on advancing the interests of women in the mining and related industries by inspiring, supporting, and developing the progress of women. Overall objectives of WIM include public outreach/education of the industry, providing opportunities for networking and professional development, and encouragement of education through the award of scholarships. WIM Utah members represent individuals from diverse backgrounds working together to meet the mission and objectives of the organization to evolve and advance the mining/minerals industries.

Applicant Eligibility Requirements

- 1) Submission of the WIM Utah 2022 Scholarship Application with all questions completed.
- 2) Enrollment for the 2022-Fall semester at an accredited Utah college or university in a degree program, or area of study that relates to the mining/minerals industry. This is inclusive of, but not limited to: geology/geosciences, hydrology, environmental sciences, engineering (geological, mining, metallurgical, mineral processing, civil/water resources), mineral economics, and mining inclusivity- and diversity-focused studies. The applicant must be enrolled as a junior or senior undergraduate, or a graduate student; and be enrolled in a minimum of 12 undergraduate, or 9 graduate semester hours. Proof of enrollment will be required.
- 3) Submission of applicants' current resume.

Schedule - The 2022 WIM Utah Scholarship Schedule is as follows:

Scholarship Announcement	February 18, 2022
Scholarship Due Date	May 15, 2022
Award Notification	June 15, 2022
Monetary Award (following proof of enrollment)	September 1, 2022

All applicants will receive emails with the result of their application by the award notification date. The award recipients will be presented a lump sum of \$500 at the start of the 2022 Fall semester. If the chosen scholarship recipient fails to meet the required criteria listed above, WIM Utah will award the scholarship to the runner up.

The successful applicant will be required to give a presentation about themselves at a WIM Utah meeting. The winner will also receive a membership to the Chapter for the year following the award of the scholarship. This will be an excellent opportunity to showcase your capabilities as a student who is starting their career journey within the mining/minerals industry.

If you have any questions about the WIM Utah Scholarship, please reach out to:

Doug Edwards, WIM Utah Scholarship Committee
